

SLIMLINE

Air movement activated air freshener

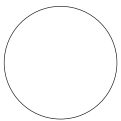

SLIMLINE is a simple and effective door mounted sachet air freshener. The unit is activated by air movement when opening and closing the door. Offering maximum ease of service the unit does not need to be programmed. With no need for batteries or electricity either, SLIMLINE is considered to be an environmentally friendly option for air freshening.

The SLIMLINE automatic air freshener is discreet and noiseless and is complemented by Kennedy's Freedom in Fragrance™ range of effective EU approved air freshening fragrances in sachet format. The unit is available in Kennedy's full range of attractive finishes.

Finishes available

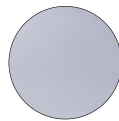

Classic White

Designer Grey
