

MAXIMA

Reserve roll toilet tissue dispenser

MAXIMA is a reserve roll toilet roll dispenser ideal for high traffic environments. The unit accommodates any toilet roll with a core diameter of 56 – 72mm and with an external diameter up to 280mm.

MAXIMA incorporates intelligent features for service such as a special shield which automatically prevents access to the new roll until the original roll is finished. Thanks to this feature paper savings of up to 20% can be achieved.

MAXIMA also includes features such as a practical inspection window to show when a refill is required and a removable braking system which aids consumable control and minimizes waste.

Finishes available

Classic White

Benefits

Control of Consumables

- > A special shield automatically prevents access to the new roll until the original roll is finished
- > Removable braking system means minimal waste

Ease of Service

- > Hinged cover for convenience and speed of service
- > Practical inspection window shows when a refill is required
- > One security key for the whole Kennedy range
- > Angled top of dispenser to prevent cigarette burn damage

End User Satisfaction

- > Hygienic full cover offering tissue protection
- > Serrated paper tear-off from either side of the unit
